

Marijuana Regulation

Licensing, Tracking & Regulatory Responsibilities

Andrew Brisbo, BMR Director
www.michigan.gov/BMR

Michigan Medical Marijuana Act (2008)

- Patient and caregiver registry
- Physician certification required
 - Qualifying debilitating medical condition
- Registry card program, not a regulatory program

Medical Marijuana Facilities Licensing Act

(2016)

- Commercial licensure and regulatory program
 - Administrative rules
- Municipal “opt-in”
- Prequalification and state operating license
- Background investigations
- Statewide monitoring system
- Banking

Michigan Regulation and Taxation of Marihuana Act (2018)

- Commercial licensure and regulatory program
 - Eligibility restrictions
- Municipal “opt-out”
- Implementation by December 6, 2019
- Administrative rules
- Work groups

Executive Order 2019-7

- Creates Marijuana Regulatory Agency
- Eliminates Medical Marijuana Licensing Board and Marijuana Advisory Panel
- Supports efficiency in operations
- Allows for consistency in implementation and ongoing approach to medical and adult-use regulatory programs
