You don't often get email from agryzenia@grossepointenews.com. [Learn why this is important](#)

To Whom It May Concern,

My name is Anne Gryzenia, and I am the Vice President of the Grosse Pointe News. I'm writing to express our **opposition to HB 6062** and do not wish to speak.

Putting these notices only on websites is not being transparent, whereas keeping them online & in the newspaper gives a fair way of dispersing the information - giving assurance that more people will see important information.

Thanks for your time.
