
MEMORANDUM

DATE: January 9, 2009
TO: Members of the Michigan House of Representatives
FROM: Mitchell E. Bean, Director *MB*
RE: Consensus Revenue Agreement—January 9, 2009

Pursuant to the Management and Budget Act Sections 367(a) through 367(f), the Consensus Revenue Estimating Conference establishes an official economic forecast of major variables of the national and state economies and establishes a forecast of anticipated state General Fund/General Purpose (GF/GP) and School Aid Fund (SAF) revenue.

The conference principals at the January 2009 meeting were the Director of the House Fiscal Agency, the Director of the Senate Fiscal Agency, and the State Treasurer. The Director of the House Fiscal Agency is the 2009 Conference Chairperson.

The attached tables provide a summation of the agreements reached at the January 2009 conference. The consensus estimates will be revised or updated at the May 2009 conference.

Table 1: Consensus Economic Forecast

Provides estimates of various state and national economic variables. The forecast indicates that real gross domestic product (GDP) will decline by 1.9% in calendar year (CY) 2009 and increase by 1.6% in CY 2010. Michigan personal income is forecast to decline 1.3% in CY 2009 and increase by 0.8% in CY 2010.

Table 2: Consensus Estimates of GF/GP and SAF

Provides revenue estimates for FY 2007-08 (final), FY 2008-09 (revised), and FY 2009-10 (revised). Net GF/GP and SAF revenue is estimated to decrease \$1,198.1 million or 5.7% in FY 2008-09 and decrease \$444.5 million or 2.3% in FY 2009-10.

Table 3: Consensus Estimate—Budget and Economic Stabilization Fund (BSF) Calculation

A withdrawal is estimated for both FY 2008-09 and FY 2009-10. Pay-ins and withdrawals from the BSF are based on growth in real adjusted personal income (Management and Budget Act, 1984 PA 431, Section 352).

Table 4: Consensus Estimate—Constitutional Revenue Limit Calculation

Reports calculations of the amounts that revenue exceed or do not exceed the constitutional state revenue limit established in Article IX, Section 26 of the Constitution of the State of Michigan. Total state revenue subject to the limit is estimated to be \$6.24 billion below the limit in FY 2008-09 and \$7.35 billion below the limit in FY 2009-10.

Table 5: Consensus Estimate—School Aid Revenue Adjustment Factor and Pupil Membership Adjustment Factor

Reports consensus estimates of pupil membership for FY 2008-09 and FY 2009-10 and notes changes from May 2008 estimates. Also reports calculations used to determine the FY 2009-10 revenue adjustment factor, which is 0.9766, and pupil membership adjustment factor, which is 1.0185. The revenue adjustment factor is multiplied by the pupil membership adjustment factor to determine the increase or decrease in the per pupil foundation allowance, which is 0.9947 or 0.53%.

If you have any questions regarding this information, please do not hesitate to call.
