| | adjustment for small class size to be used for early intervening programs. | as an allowable use. | | | |
| NEW Sec. 20 (23),(24) and (25) Foundation Allowance Adjustments | N/A | N/A | <p>Subsection (23) an adjustment of \$500,000 to the foundation allowance of a district that in 1993 levied 4.87 deficit mills, where the revenue from those mills was not included in the calculation of the districts' 1993-94 base per-pupil amounts. This affects Clintondale</p> <p>Subsection (24) provides a \$800,000 to adjust the foundation allowance of a district who had a millage reduction in 1993 of 4.91 mills. This affects the Chippewa Valley School District.</p> <p>Subsection (25) an adjustment of \$800,000 to the foundation allowance of a district that in 1993 levied 1.80 deficit mills, where the revenue from those mills was not included in the calculation of the districts' 1993-94 base per-pupil amounts. This affects Pontiac.</p> | Not Included. | See Section 99J. |
| Sec. 20j Additional Calculation for Hold Harmless Districts | Provides funding to districts above the hold-harmless cap reflecting the difference between inflationary increases (where such districts are capped) and actual dollar increases given in the basic foundation allowance. | Date change and technical change to accommodate the FY 2006-07 equity payment. | Concurs with Executive. | Concurs with Executive. | Concurs with House and Senate. |

| SECTION | CURRENT LAW | EXECUTIVE RECOMMENDATION | HOUSE PASSED | SENATE PASSED | ENACTED (PA 137 of 2007) |
|----------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Sec. 22a Proposal A Obligation Payment (The Constitutionally required portion of the foundation allowance.) | FY 2006-07 appropriation of \$6,204,700,000. (PA 6 of 2007) | REVISED. Reduces the FY 2007-08 appropriation by \$192,700,000 to \$6,012,000,000 to incorporate the lower costs due to pupil estimates and taxable values, and assumes costs of \$26,400,000 from Midland Dow tax tribunal settlement and \$11,000,000 in taxable value costs from utility tax table negotiation. | Reduces the FY 2007-08 appropriation by \$193,700,000 to \$6,011,000,000 | Concurs with Executive. | Concurs with Senate. |
| Sec. 22b Discretionary Payment (The discretionary portion of the foundation allowance.) | FY 2006-07 appropriation of \$3,566,000,000. (PA 6 of 2007) | REVISED. FY 2007-08 appropriation of \$3,875,000,000, reflecting a \$178 per pupil increase in the basic foundation. (This figure does reflect the changes as a result of the May revenue estimating conference.) | FY 2007-08 appropriation of \$3,752,000,000 reflecting an increase of 1.4% which is equal to \$100 per pupil increase in the foundation allowance and rolls the FY 2006-07 equity payment of \$23 per pupil into each qualifying district's base foundation. The recommendation also includes foundation allowance adjustments of \$500,000 for Clintondale and \$800,000 for Pontiac for mills levied in 1993 to finance an operating deficit, \$800,000 for a foundation allowance adjustment for Chippewa Valley for a millage reduction in 1993 of 4.91 mills, a one-time payment of \$40,000 to Johannesburg-Lewiston to correct an incorrect millage reduction fraction and one-time payment of \$1.8 million to Southfield for a board resolution that reduced a hold harmless millage on homestead property. | FY 2007-08 appropriation of \$3,584,000,000. Not included. NEW. Requires a district to report to residents by May 1 of the each fiscal year on prior fiscal year spending the following information: (i) report on a per pupil and percentage basis the amount of total funding spent on administration; business administration; transportation; facilities operations; medical, optical, and dental benefits for active employees; and contributions for pension and medical, optical, and dental benefits for retired | FY 2007-08 appropriation of \$3,584,000,000. Includes a one-time payment of \$40,000 to Johannesburg-Lewiston to correct an incorrect millage reduction fraction. Not included. |
