## Operations Grants: Performance Indicators Formula

- Most of the community college budget acts since FY 2006-07 have included formulas that utilized performance indicators to allocate budgetary increases or decreases from the poor year.
- : The FY 2018-17 formula is based on the recommendations made from the FY 2015-16 Performance Indicators Task Force.
- The FY 2016-17 formula allocates a \$4,400,000 increase to community college operations grants as follows:
  - 30% based on an across-the-board adjustment
  - 30% based on contact hour equated students, weighted for health & techfields.
  - 10% based on performance completion improvement.
  - · 10% based on performance completion number
  - 10% based on performance completion rate.
  - \* 5% based on administrative costs
  - 5% based on a local strategic value component
