Overview

The Michigan Department of Agriculture and Rural Development's (MDARD) key programs and priorities include ensuring food safety and security, protecting animal health and welfare, managing invasive exotic species, regulating pesticide use, certifying agricultural commodities, ensuring environmental stewardship, consumer protection, and promoting the state's agricultural economy.

Major Budget Changes From FY 2017-18 YTD Appropriations

1. Food and Dairy – Milk Safety Quality Assurance

Executive includes \$780,000 GF/GP increase with 5.0 additional FTE positions in dairy inspection program. This increase reflects increased workload due to increase in dairy production and processing in Michigan. Funding increase is provided from various GF/GP reductions within budget, as described below.

	FY 2017-18 Year-to-Date (as of 2/7/18)	FY 2018-19 Senate Change
FTE	31.0	5.0
Gross	\$4,510,300	\$860,000
Federal	111,300	80,000
Restricted	219,700	0
GF/GP	\$4,179,300	\$780,000

House provides \$1.1 million GF/GP increase and authorizes 38.0 FTE positions – 7.0 more than current year. House also includes an additional \$80,000 in federal spending authority to reflect federal Food and Drug Administration (FDA) grant for training and certification. Senate concurs with Executive and includes \$780,000 GF/GP increase; recognizes an additional \$80,000 federal spending authority for FDA grant.

2. Executive Direction – Office of Organizational Innovation

Executive includes \$307,100 GF/GP increase for two data management staff positions currently working in the department's Office of Organizational Innovation. These positions had been cross-funded through the Information Technology Investment Fund in the DTMB budget. Funding increase is provided from various GF/GP reductions within budget, as described below.
