Col. John Wojcik, Department of Military and Veterans Affairs
F/Lt. Jim Ellis, Michigan State Police

MICHIGAN DEPARTMENT OF
DTMB TECHNOLOGY,
MANAGEMENT AND BUDGET

MiC3: Serving Michigan

- MiC3 announced in 2013 at Gov. Snyder's North American International Cyber Summit
- MiC3 is a group of trained cybersecurity experts and volunteers whose mission is to provide rapid response to organizations in the event of a cyber incident
- In order to meet this mission, the legislation allows for MiC3 members to provide services to non-governmental entities and receive the same liability immunity provided to them under the Governmental Liability for Negligence Act

Training & Requirements

- DTMB administers several online tests for prospective MiC3 recruits
- Qualified applicants are required to pass a mandatory state background check
- DTMB partners with SANS and the Michigan Cyber Range to offer their courses to MiC3 volunteers

HELP. CONNECT. SOLVE.

Membership

- Current membership is at 52
 - 12 individuals currently going through application process
 - Goal is to reach 200 members by the end of 2018
- Members are experts from the following sectors:
 - Government
 - Academia
 - Business
 - Financial
 - Healthcare

National Model

- MiC3 a focus during the 2016-2017 NGA Cybersecurity Policy Academy
 - MI and VA served as Faculty
- MiC3 to be featured in the NGA National Guide as a model for other states to refer to when seeking to build a similar volunteer organization
- 8 states have reached out/visited Michigan for best practice tips on how to build their own cyber volunteer organization: Indiana, Hawaii, Washington, Oregon, Illinois, Connecticut, Louisiana, and Nevada

HELP. CONNECT. SOLVE.

National Recognition

- Winner of the 2017 Statescoop 50 Award for IT Innovation of the Year
- MiC3 featured during the National Association of State Technology Directors Southern Region Seminar
- Nominated for the 2017 NASCIO State IT Award
 - Recipients to be announced in Summer 2017

House Bill 4508

HB 4508 sets up the structure and process for volunteers to enter the MiC3, and for their deployment. The bill provides for:

- The same civil liability immunity provided to state employees and volunteers in the Governmental Liability for Negligence Act, under conditions provided in the bill
- Requirements to be included in the volunteer agreement entered into between DTMB and the volunteer
- An FBI criminal records check and criminal history check
- Procedures for volunteer deployment
- Establishment of the MiC3 Advisory Board with DTMB, MSP, DMVA and TED
