Preparing to Serve a Changing Population

MI Older Adults will Continue to Outnumber School Age Children

Preparing to Serve a Changing Population

85+ POPULATION

What Area Agencies on Aging Do:

How AAA AASA Services are Funded:

- 39% Federal Support
- 34% State Support
- 11% Participant Contributions
- 8% Local Match
- 8% In-Kind Support

In 2017...

Michigan's aging network **served 1 out of every 20 older Michigianian's** and supported their desire to stay independent, and in the community they called home.

AAAs and the network **provided 107,120 hours of information and assistance, options counseling, and resource referrals** to older adults and their caregivers. That's an average of 293 hours of information and assistance provided per day, every single day of 2017.

Since 1973, Area Agencies on Aging have assisted, enabled, and empowered Aging in Place

- Mi-Choice Medicaid Waiver Program
- Mi-Health Link
- Care Transitions Programs
- Medicare Services
 - Medical Nutrition Therapy
 - Chronic Complex Care Management
- Programs for the All-Inclusive Care of the Elderly (PACE)

Area Agencies on Aging- Advocates for Older Adults

AAAs advocate for public policies that benefit older adults, and empower seniors in advocating for themselves

Michigan Senior Advocates Council

Action Team of senior leaders who study issues and inform public officials; meets monthly in Lansing

Older Michiganians Day

Annual event focused on platform of key issues of importance to Michigan's older adult population

2019 Policy Priorities

- Silver Key Coalition
- Direct Care Workforce
- Elder Abuse Prevention
- MI Choice
- MI Health Link/Managed Care
