**94% of the voting public supports
licensing in the beauty industry**

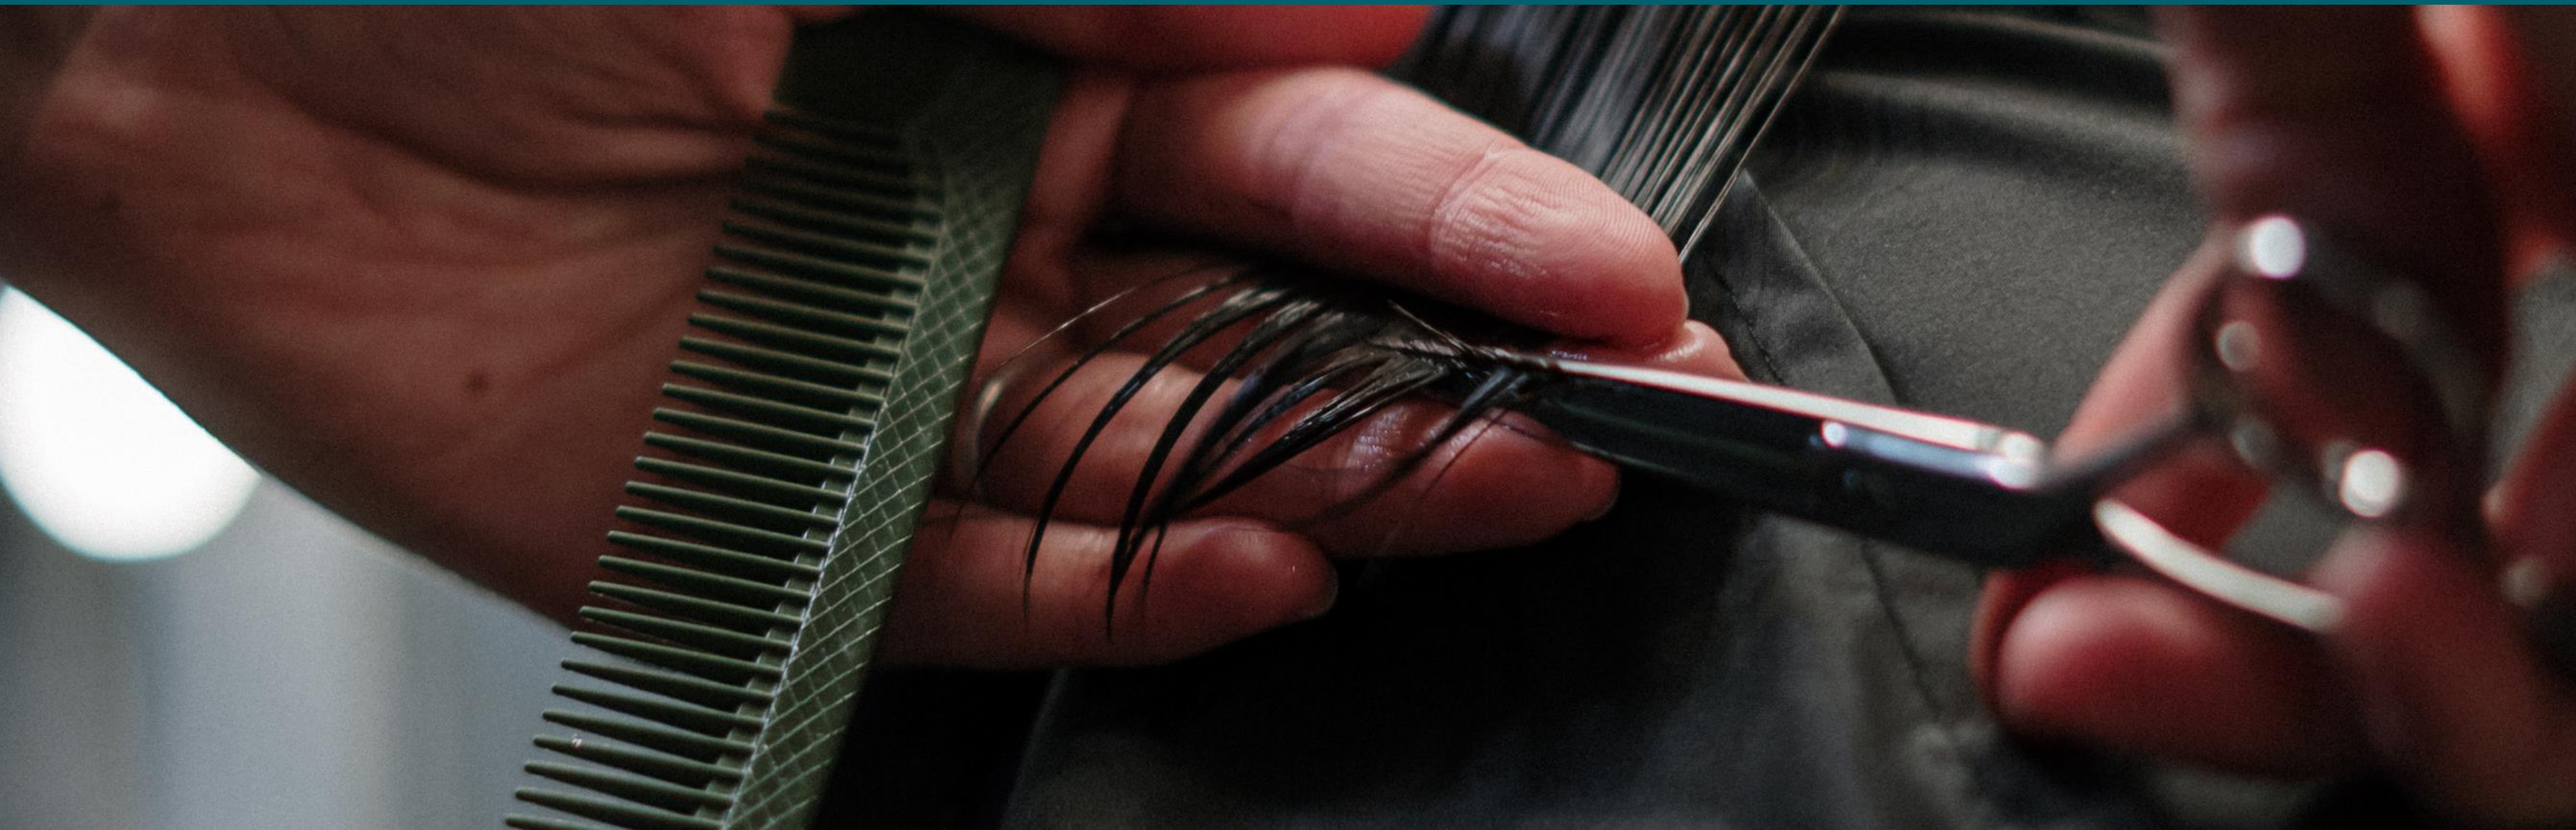

In Michigan, the
required number of
instruction hours
for licensure is
1,500 hours

- **Communities, as well as salon and barbershop owners, need great schools and educators.**
- **In the U.S. most salon industry establishments are owned by minorities and women.**
- **Their continued success is dependent on the ability to hire licensed professionals.**

Demand in the beauty industry has already been identified as a leader in U.S. job growth by the Bureau of Labor Statistics. Pre-pandemic, they projected growth of 10% annually in career opportunities for barbers and cosmetologists over the next 10 years.
