Hello,

I would like to voice my, and many constituents I know, support of all three bills to be heard today.

HB 4967 (Rep. Paquette)	Elections; ballots; security features on election ballots; require.
HB 5253 (Rep. Lightner)	Elections; offenses; accepting a gift of money or goods from a nongovernmental entity for the purposes of obtaining election-related equipment; prohibit.
HB 5254 (Rep. Lightner)	Public employees and officers; state; accepting a gift of money or goods from a nongovernmental entity; prohibit.

Thank you,
Kristie Walls
