Dear Madam Clerk,

On May 4, 2023, House Bills 4513 and 4514, were referred to the House Committee on Health Policy. These bills provide for the licensure of art therapists and the profession of art therapy.

I am asking the Subcommittee on Behavioral Health to review and make recommendations to these bills. Prescribing professional standards and credentials for art therapy could protect consumers and make these services more widely available. I am confident that the Subcommittee will be successful and productive.

Sincerely,

Julie M. Rogers

Chair House Committee on Health Policy
