

UNITED WAY OF SOUTHWEST MICHIGAN

April 16, 2024

Dear Ms. Sweet,

On behalf of United Way of Southwest Michigan, I would like to formally voice our support for the current Source of Income protections bills (HB 4062, 4063), which were sponsored by Reps Jason Morgan and Jennifer Conlin in 2023.

Our organization, United Way of Southwest Michigan, supports protecting the source of incomes of retirees, veterans, parents with child support, persons with disabilities receiving SSI/SSDI and anyone with a housing choice voucher or other form of rental assistance.

Michigan renters need these protections, and the legislature can assist by passage of these bills that will help tenants and landlords both.

Thank you,

Heather Cole
