**Subject:** SENATE BILL 740

Dear Chairperson and Committee,

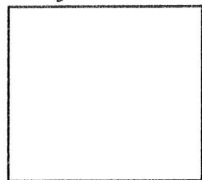

I manage a Plumbing and Mechanical Company In Michigan Center Michigan and I would just like to let you know I am hoping for a good outcome on the voting for Senate Bill 740 regarding the Journeyman to Apprentice ratios In Michigan.

For the overall safety of Apprentice workers and the Public as well, I believe this Is an opportunity for all Involved to benefit greatly. Apprentices thrive In an environment where they are partnered with well trained licensed professionals.

I have been In the Plumbing business for about 30 years now and this Is a great bill for the success of workers to be both safe and productive on the job.

Thank you for listening..
