

Hon. Christine Morse, Representative, Chair  
Subcommittee on Appropriations  
Senior Programs

Thank you, Rep. Morse...

for holding this hearing pertaining to appropriations for Senior Programs.

As a (very)Senior, I could not be more supportive of the effort you are making to allow input to consider the future funding of these programs which are so needed. It would only be foresight on your part to recognize the needs that our Michigan population will likely face as we age...and also those who need these services at younger ages due to unfortunate circumstances.

Thank you for holding this meeting...and I would be there in person, along with my AARP volunteer colleagues, were it not for having limited physical abilities myself.

Sincerely,
