<p>(2) As a condition for receiving the funding in part 1, the West Michigan Partnership of Children Consortium shall maintain a contract agreement with the department that supports a global capitated payment model. The capitated payment amount shall be based on historical averages of the number of children served in Kent County and for the costs per foster care case. The West Michigan Partnership for Children Consortium is required to manage the cost of the child population it serves. The administrative portion of the contracted agreement must reflect the cumulative annual percentage change in the Detroit Consumer Price Index from the previous year. The capitated payment amount shall be reviewed and adjusted no less than twice during the current fiscal year or due to any policy changes implemented by the department that result in a volume of placements that differ in a statistically significant manner from the amount allocated in the annual contract between the department and the West Michigan Partnership for Children Consortium as determined by an independent actuary as well as to account for changes in case volumes and any statewide rate increases that are implemented. The contract agreement requires that the West Michigan Partnership for Children Consortium shall maintain the following stipulations and conditions:</p> <p>(a) That the service component of the capitated payment will be calculated assuming rates paid to providers under the program are generally consistent with the department's payment policies for providers throughout the rest of this state.</p> <p>(b) To maintain a risk reserve of at least \$1,500,000.00 to ensure it can meet unanticipated expenses within a given fiscal year.</p> <p>(c) To cooperate with the department on an independent fiscal analysis of costs incurred and revenues received.</p>	<p>(2) The review detailed in (1) of this section may include contractor performance in meeting contract performance measures related to child permanency, safety, and well-being as well as the cost effectiveness and efficiency of the program.</p>	<p>(2) No changes from current law.</p> <p>[Executive language moved to Sec. 512(2)]</p>	<p>(2) No changes from current law.</p>	<p>(2) No changes from current law.</p>
