**Department: Health and Human Services**  
**Agency: Bureau of Emergency Preparedness, EMS, and Systems of Care Section**  
**Enabling Statute: Public Health Code, 1978 PA 368, MCL 333.2233 et seq.**

**Analysis Complete to: 8/15/2024**

## BACKGROUND AND SUMMARY OF PROPOSED RULES

Medical care standards for stroke and ST elevation myocardial infarction (STEMI) vary by health care service throughout the state. These rule changes intend to standardize stroke and STEMI care through the implementation of coordinating regional stroke/STEMI care systems under common care rules.

## FISCAL IMPACT OF PROPOSED RULES

These rule changes would have an indeterminate fiscal impact on the state and local units of government, resulting from administrative needs such as employee costs or information technology upgrades.
