

Department of Environment, Great Lakes, & Energy restricted funds FY 2024-25

<u>Fund Name</u>	<u>Appropriation</u>	<u>Legal Basis</u>	<u>Fund Description/Current Use</u>	<u>Const/ Statutory</u>	<u>*Fund Type</u>	<u>Used for Match/ MOE?</u>
Air Emission Fees	\$12,316,000	MCL 324.5521 (1,2)	Revenue received from fees paid by owner or operator of each fee-subject facility in Michigan; used to supports operations costs for the air quality monitoring and enforcement program.	S	A	No
Aquatic nuisance control fund	\$1,099,200	MCL 324.3306 (4)	Revenue received from aquatic nuisance fee paid by landowners seeking help with aquatic invasive species; used to control aquatic nuisances in the waters of Michigan	S	A	No
Aquifer Protection Revolving Fund	\$520,000	MCL 324.31710	Revenue received from civil fines recovered for violations of aquifer protection statute; used to support water quality monitoring and programs.	S	B	No
Asbestos Inspection Fund	\$2,000,000	MCL 324.5519a	Revenue received from asbestos inspection fees; used to support asbestos inspection program.	S	A	No
Campground Fund	\$411,900	MCL 333.12506b (1)	Revenue received from campground construction permits (\$225-\$600 each) and annual campground operation licenses (\$75-\$500 each); used to support permit review and enforcement for commercially operated campgrounds.	S	A	No
Cleanup and Redevelopment Fund	\$59,985,100	MCL 324.20108	Revenue received from unclaimed bottle deposits transferred from the Cleanup & Redevelopment Trust Fund; used to support cleanup and redevelopment of specific sites of environmental contamination.	S	B	Yes
Coal Ash Care Fund	\$291,200	MCL 324.11550 (8)	Revenue received from owners and operators of coal ash care facilities; used to operate the coal ash care program that regulates coal ash in Michigan for environmental health and safety.	S	A	No

Community Pollution Prevention Fund	\$250,000	MCL 445.573f	Revenue received from the Cleanup & Redevelopment Trust Fund; used to reduce the generation of waste and further pollution prevention in local communities.	S	B	No
Electronic Waste Recycling Fund	\$381,600	MCL 324.17327 (1,2,3)	Revenue received from registrations to paid to DEQ by individuals engaged recycling covered electronic devices; used to cover DEQ's administrative expenses in implementing electronic waste recycling.	S	A	No
Energy Efficiency and Renewable Energy Revolving Loan Fund	\$250,100	MCL 460.912	Revenues received from revolving loan repayments; used for to provide loans, grants, and other forms of assistance to public or private entities for energy efficiency and renewable energy projects	S	B	No
Environmental Education Fund	\$184,100	MCL 324.2505 (1,2,4)	Revenue received from 25% of the civil fines collected under the Michigan Water Resources Commission Act, the Hazardous Waste Management Act, and the Solid Waste Management Act; used to implement PA 310 of 1994, and to establish and operate a clearinghouse of environmental education materials.	S	B	No
Environmental Pollution Prevention Fund	\$4,862,300	MCL 324.11130 (1,2,3)	Revenue received from Hazardous Waste User Charge fees paid by hazardous waste generators & transporters, and hazardous waste treatment, storage, & disposal facilities; used for emergency response and cleanup activities initiated by DEQ related to hazardous or liquid industrial waste.	S	A	Yes
Environmental Response Fund	\$2,032,100	MCL 324.26219	Revenue received from proceeds of all cost recovery actions taken and settlements entered by the DEQ and Attorney General pursuant to Part 201 of NREPA; used for contaminated site cleanups.	S	B	Yes

Fees and Collections	\$394,500	MCL 333.12527, 333.12527(a), 333.12704, 333.13306	Revenue received from Dry Cleaning (operator) Fees and Well Driller/Pump Installer Registration Fees; used to support various environmental regulatory programs.	S	A	Yes
Financial Instruments	\$9,889,800	MCL 324.11302, Annual budget act	Performance bond revenue used for landfill and toxic material disposal facilities.	S	B	Yes
Great Lakes Protection Fund	\$558,000	MCL 324.32905 (1,3)	Revenue received from contributions from seven of the eight Great Lakes states; used to support research and demonstration projects for the purpose of reducing toxic contamination in the Great Lakes.	S	B	Yes
Groundwater Discharge Permit Fees	\$2,405,100	MCL 324.3124 (1,2,3)	Revenue received from permit fees (\$200-\$3,650 each) collected from entities discharging to groundwater; used to support groundwater discharge permit enforcement programs.	S	A	No
Infrastructure Construction Fund	\$55,500	MCL 324.4113 (1,2,3)	Revenue received from expedited permit review fees (\$1,000 to \$4,000 each); used to support the implementation of the Safe Water Drinking Act: maintenance of program data, development of program databases/software, compliance assistance/education/training directly related to safe water drinking act.	S	A	No
Laboratory Services Fees	\$9,193,200	none	Revenue received from lab use & certification fees; used to supports DEQ's laboratory personnel & operations	S	A	No
Land and Water Permit Fees	\$2,719,800	MCL 324.30113 (1,2,3)	Revenue received from fees approved to reduce permit backlog and process permit applications within statutory time limits.	S	A	Yes
Medical Waste Emergency Response Fund	\$502,400	MCL 333.13829 (1,3)	Revenue received from registration fees paid by medical waste producing facilities; used to support cleanup and disposal of medical waste.	S	A	No

Metallic Mineral Surveillance Fees	\$100,000	MCL 324.63103e (1,2,3)	Revenue received from fees paid by metallic mineral operators on their respective metallic product produced for the calendar year reported; used for surveillance, monitoring, administration, and enforcement of activities.	S	A	Yes
Mineral Well Regulatory Fund	\$238,600	MCL 324.62509B (1,2,3)	Revenue received from application fees for a brine, storage, or waste disposal permit or a permit to drill a test well; used to implement and enforce the law in Part 625 (MCL 324.62501-324.62518).	S	A	No
National Pollutant Discharge Elimination System Fees	\$50,000	MCL 324.3121 (1,2,3)	Revenue received from permit application fees (\$75-\$750) and annual permit fees (\$150-\$213,000) paid by those discharging sewage or other waste disposal into the waters of the state; used to support groundwater protection programs in cooperation with federal EPA regulatory efforts.	S	A	Yes
Native Copper Mine Fund	\$408,300	MCL 324.63415	Revenue received from fee paid by copper mine owners; used for surveillance, monitoring, administration and enforcement of copper mine program	S	A	No
Nonferrous Metallic Mineral Surveillance Fees	\$4,936,400	MCL 324.63217 (1,2,3)	Revenue received from fees paid by nonferrous metallic mineral operators on their respective nonferrous metallic product produced for the calendar year reported; used for surveillance, monitoring, administration, and enforcement of activities.	S	A	No

Oil and Gas Regulatory Fund	\$4,658,800	MCL 324.61525b	Revenue received from a fee not in excess of 1 percent (based on the gross cash market value) paid by oil and gas producers in the state, a fee of \$300 for a permit to drill and operate a well, and an annual well regulatory fee of \$20 for gas storage operations; used to provides funding for monitoring, surveillance, enforcement, and administration of the applicable laws.	S	A	Yes
Orphan Well Fund	\$2,448,500	MCL 324.61602 (1,2,3)	Revenue received from 2% of the severance tax revenue received during each fiscal year; used to provide funding for plugging of abandoned or improperly closed oil or gas wells, response activity, or site restoration at oil or gas wells when there is no known owner or operator, for which all owners or operators are insolvent, or if there is an imminent threat to the public health and safety.	S	B	No
Public Swimming Pool Fund	\$817,900	MCL 333.12527B (1)	Revenue received from public pool construction permits (\$275-\$1,800) and from initial & annual operation licenses (\$55-\$1,000); used for public swimming pool regulation.	S	A	No
Public Utility Assessments	\$2,719,200	MCL 460.115	Revenue received from annual assessments paid by public utilities within the state; used to support activities of Low Level Radioactive Waste Authority.	S	B	No
Public Water Supply Fees	\$5,880,100	MCL 325.1011 (a-d)	Provides funds for Community Water Supply Annual fees, Non-community Water Supply Annual Fees, and Water Laboratory Certification fees.	S	B	Yes

Refined Petroleum Fund	\$41,482,000	MCL 324.21506a (1,2,3)	Revenue received from an environmental protection regulatory fee on all refined petroleum products equal to one cent per gallon for each gallon of refined petroleum sold for resale or consumption in the state; used for funding underground storage tank cleanup activities and enforcement of air quality vapor release permits.	S	B	Yes
Renew Michigan Fund	\$76,864,300	MCL 206.51g	Revenue received from annual income tax earmark of \$69.0 million; used for non-petroleum environmental cleanups, recycling, and solid waste management.	S	B	No
Retired Engineers Technical Assistance Program Fund	\$491,200	MCL 324.14512 (1,2,3)	Revenue received from interest and earnings received on the initial investment of \$10 million received from the Clean Michigan Initiative; used to provide on-site pollution prevention assessments and technical assistance to small companies, municipalities, and institutions.	S	B	Yes
Revolving Loan Revenue Bonds	\$15,000,000	MCL 324.5401-324.5418, 141.1051-141.1076, 324.5301-324.5316, Annual budget act	Supports local water supply and sewer maintenance and storm/sanitary sewer separation projects.	S	B	No
Sand Extraction Fees	\$94,600	MCL 324.63711	Revenue received from fee of ten cents per ton of sand mined; used for study, protection, management and reclamation of Great Lakes sand dunes.	S	A	No

Scrap Tire Regulatory Fund	\$5,260,400	MCL 324.16908 (1)	Revenue received from a \$1.50 surcharge on every title transfer processed by the Secretary of State and from a \$200 annual registration fee collected from each scrap tire collection site owner; used for administrative costs of DEQ associated with implementation and enforcement of Act 451.	S	A	No
Septage Waste Program Fund	\$681,900	MCL 324.11717 (3,4,5)	Revenue received from annual septage waste servicing license fee (\$200), vehicle licensing fee (\$350-480), and site permit fee (\$500); used to support operations costs of the septage waste program.	S	A	No
Settlement Funds	\$1,500,000	MCL 324.99903(16- 18), ERO 1995- 16	Revenue received from fines and penalties assessed for various environmental violations; used to administer environmental cleanup projects and programs.	S	B	Yes
Sewage Sludge Land Application Fees	\$1,019,000	MCL 324.3132 (5)	Revenue received from administrative fee of \$400 per sewage sludge generator/distributor and from a generation fee of dollars per dry ton of sewage applied; used to monitor and enforce compliance in the application of sewage sludge to farm lands.	S	A	No
Small Business Pollution Prevention Revolving Loan Fund	\$134,400	MCL 324.14513 (1,2,3)	Revenue received from interest and earnings received from the initial investment of \$5 million received from the Clean Michigan Initiative; appropriated to DEQ to provide loans to small businesses to implement pollution prevention recommendations.	S	B	No
Soil Erosion and Sedimentation Control Training Fund	\$158,700	MCL 324.9123a (1,2,3)	Revenue received from soil and sedimentation training and exam fees paid by individuals who require certification in soil erosion and training; used to administer Soil Erosion and Sedimentation Control training program.	S	A	No

Solid Waste Management Fund- Staff Account	\$7,154,800	MCL 324.11550 (1,2,3,4,)	Revenue received from a 36 cent per ton surcharge on solid waste disposed in Michigan landfills paid by owners and operators of solid waste landfills; used to operate the Solid Waste Program.	S	A	No
State Brownfield Redevelopment Fund	\$1,100,000	MCL 125.2658a	Revenue received from construction period tax capture revenues, withholding tax capture revenues, and income tax capture revenues transmitted under transformational brownfield plans; used for Brownfield Redevelopment Grants from the Michigan Strategic Fund	S	B	No
Stormwater Permit Fees	\$2,585,800	MCL324.3118(1, 7,13e), 324.3119(1,2,3)	Revenue received from storm water discharge fees; used for administration of stormwater discharge permit program for industries and construction sites.	S	A	Yes
Technologically Enhanced Naturally Occurring Radioactive Material	\$505,100	MCL 324.1109	Revenue received from landfill owners or operators who pay a fee of \$5.00/ton of TENORM disposed; used to regulate and oversee TENORM disposal and radiation.	S	A	No
Underground Storage Tank Cleanup Fund	\$20,463,300	MCL 324.21506b	Revenue received from an environmental protection regulatory fee on all refined petroleum products equal to one cent per gallon for each gallon of refined petroleum sold for resale or consumption in the state; used to reimburse underground storage tank owners/operators for cleaning up their respective petroleum leaks originating after 2014.	S	B	No
Wastewater Operator Training Fees	\$645,800	MCL 324.3110 (2)	Revenue received from fees charged to individuals for completing certification as operators or supervisors of municipal wastewater treatment facilities; used to conduct wastewater operator training program.	S	A	No

Water Pollution Control Revolving Fund	\$960,000	MCL 141.1066a	Used to support operations of state loan programs to local governments for water, sewer and treatment plant projects.	S	B	Yes
Water Quality Protection Fund	\$111,600	MCL 257.8111 (3)	Revenue received from the sale of the Secretary of State's water quality protection registration license plates; used to fund grants to local governments to support volunteer river, stream, and creek cleanup activities.	S	B	No
Water Use Reporting Fees	\$376,700	MCL 324.32707 (7), 324.32714 (1,2,3)	Revenue received from annual water use reporting fee paid by owners of industrial or processing facilities or irrigation facilities; used to identifies major water users and collects uniform water use data.	S	A	No
Subtotal						\$309,149,300

***Fund Types:**

- A) Fund revenue tied to specific services provided (fee-based programs)
- B) Fund restricted for specific program(s) by constitution or statute
- C) Fund restricted for broad purpose, with some flexibility regarding specific programs/uses (e.g., School Aid, Transportation)

Notes:

- 1) Default categorization is that funds are statutory, even if no permanent statute has been enacted; constitutionally-created funds may also have associated statutory provisions.
- 2) "Yes" for Match/MOE means fund is used either partially or wholly for federal match/MOE purposes.
