Support Success

Investments

- First ever investments in student basic needs and support for colleges to adopt best practices for success
- \$45M to support student success in FY 24 alone

Policy

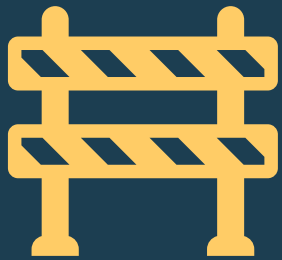

- First ever requirements to implement and/or incentives to adopt best practices
- Eliminated remedial education for Reconnectors
- Expanded credit for prior learning for Reconnectors
- Created Michigan Center for Adult College Success

Support Student Success

- Launching a cross-sector Student Basic Needs Task Force to review national best practice and identify possible actions in Michigan (in collaboration with the Joyce Foundation)
- Participating in conversations about dual enrollment (in collaboration with MCCA)
- Co-designed grant programs with partners to maximize state investment

Office of Higher Education

Administer state financial aid programs

Lead statewide marketing and outreach to promote college and state financial aid programs

Partner with state government, colleges, universities, employers, communities, and more to ensure education opportunities meet workforce demands

Provide some support for students' unmet basic needs

Provide grants to help schools adopt success strategies, alongside completion coach support

Track progress and report on outcomes

What's next? The Michigan Guarantee

PreK to Postsecondary to Prosperity

Community College Guarantee

Big Goals

- All high school graduates have the opportunity earn a skill certificate or associate degree tuition-free and have a more affordable pathway to a four-year-degree.
- Achieve Sixty by 30 goal.

Why?

- Cost (and perceived cost) is still a major barrier to pursuing a degree or certificate.
- Higher paying jobs require education after high school, and everyone deserves a path to prosperity.

How?

- Update the Michigan Achievement Scholarship eligibility and award for students enrolling at community colleges.
