12 reason those prisoners have not obtained a high school equivalency.

13 Sec. 416. From the funds appropriated in part 1, priority may
14 be given to funding reentry or rehabilitation programs that have
15 been demonstrated to reduce prison violence and recidivism,
16 including faith-based initiatives.

17 Sec. 417. (1) Funds appropriated in part 1 for criminal
18 justice reinvestment must be used only to fund data collection and
19 evidence-based programs designed to reduce recidivism among
20 probationers, parolees, and prisoners.

21 (2) Of the funds appropriated in part 1 for criminal justice
22 reinvestment, not less than \$600,000.00 must be allocated to an
23 organization that has received a United States Department of Labor
24 training to work 2-adult reentry grant to provide county jail
25 inmates with programming and services to prepare them to get and

2 legal system, family literacy, health and wellness, finance
3 management, employer presentations, and classes on job retention.
4 Programming and support services should begin before release and
5 continue after release from the county jail. To be eligible for
6 funding, an organization must show not less than 2 years of data
7 that demonstrate program success.

8 (3) The department shall report on programs described under
9 this section not later than March 30. The report must include all
10 of the following:

16 Sec. 418. Revenues appropriated and collected for program and
17 special equipment funds must be considered state restricted revenue.
18 Funding must be used for prisoner programming, special equipment,
19 and security projects. Not less than 75% of funding must be used for
20 prisoner programming. Unexpended funds remaining at the close of the
21 fiscal year must not lapse to the general fund but must be carried
22 forward and made available for appropriation in subsequent fiscal
23 years.

24 Sec. 419. (1) From the funds appropriated in part 1, the
25 department shall report on the department's plans to eliminate
26 programming for prisoners. The report must be provided not less
27 than 30 days before program elimination. As used in this section,
28 "programming for prisoners" means a department core program or

3 department shall review and revise as necessary policy proposals
4 that provide alternatives to prison for offenders being sentenced
5 to prison as a result of technical probation violations and
6 technical parole violations. To the extent the department has
7 insufficient policies or resources to affect the continued increase
8 in prison commitments among these offender populations, from the
9 funds appropriated in part 1, the department shall explore other
10 policy options to allow for program alternatives, including
11 department or OCC-funded programs, local level programs, and
12 programs available through private agencies that may be used as
13 prison alternatives for these offenders.

14 (2) Not later than April 1, the department shall provide a
15 report on the number of all parolees returned to prison and
16 probationers sentenced to prison for either a technical violation

11 substance abuse treatment programs, mental health treatment
12 programs, or both, while in prison, itemized by diagnosis.

13 Sec. 503. From the funds appropriated in part 1 for
14 residential alternative to prison program, the department shall
15 provide vocational, educational, and cognitive programming in a
16 secure environment to enhance existing alternative sentencing
17 options, increase employment readiness and successful placement
18 rates, and reduce new criminal behavior for the west Michigan
19 probation violator population. The department must ensure that all
20 of the following program goals are attained:

21 (a) Participants successfully complete the program.

7 (e) The distribution of the total number of prisoners reviewed
8 during that quarter grouped by whether the prisoner had been
9 interviewed for the first, second, third, fourth, fifth, sixth, or
10 more than sixth time.
11 (f) The number of paroles granted, denied, or deferred for
12 each of the parole guideline scores of low, average, and high.
13 (g) The reason for denying or deferring parole.

10 1, are given the opportunity to sign a medical release of
11 information form designating a family member or other individual to
12 whom the department shall release records and information regarding
13 the prisoner upon the request of the prisoner. The prisoner may
14 elect to withdraw or amend the medical release of information form
15 at any time.

16 (2) The department shall ensure that a signed medical release
17 of information form follows a prisoner upon transfer to another
18 department facility or to the supervision of a parole officer.

7 correctional facilities that allow the department to treat the
8 highest number of prisoners with opioid use disorder as possible.
9 Funding must be used by the department to support costs of staff,
10 including nurses, qualified mental health professionals, recovery

26 (3) The department must explore all opportunities for
27 increasing the availability and usage of long-acting injectables
28 for prisoners receiving medication assisted treatment. The
29 department must work with competing entities to find ways to

1 increase usage of long-acting injectables at the most affordable
2 price to the department.

3 Sec. 608. From the funds appropriated in part 1, the
4 department must screen and provide treatment to prisoners for post-
5 traumatic stress and substance use disorders. Prisoners must be
6 screened at intake, screened annually, and screened prior to
7 release. If a medical professional determines that a prisoner meets
8 the criteria for having post-traumatic stress, a substance use
9 disorder, or both, the prisoner must be provided treatment.

10 Sec. 609. From the funds appropriated in part 1, the
11 department must work with department nursing staff, department
12 nursing staff collective bargaining representatives, and nursing
13 organizations, such as the Michigan Nurses Association, to develop

18 advancement. Not later than March 1, the department must submit a
19 list of strategies, including plans and goals for implementing the
20 strategies developed under this section.

21

9 direct and indirect costs for the previous fiscal year. To
10 calculate the cost per prisoner per day, the department shall
11 divide the prisoner-related costs by the total number of prisoner
12 days for each custody level and correctional facility. For
13 multilevel facilities, costs that cannot be accurately allocated to
14 each custody level may be included in the calculation on a per-
15 prisoner basis for each facility. A report summarizing these
16 calculations must be submitted not later than January 15. Prisoner-
17 related costs included in the cost per prisoner per day calculation
18 must include all expenditures for the following, from all fund

16 programming. Programming includes, but is not limited to, violence
17 prevention programming, sexual abuse prevention programming,
18 substance use disorder programming, thinking for a change
19 programming, and any other programming that is required as a
20 condition of parole.

21 (2) To the extent feasible, the department shall consistently
22 provide prisoner programming with the goal of having prisoners
23 complete recommended cognitive programming as early as possible
24 during the prisoner's sentence to impact the prisoner's behavior
25 while incarcerated. Nothing in this section makes parole denial
26 appealable in court.

27 (3) The department shall submit a quarterly report detailing
28 enrollment in sex abuse prevention programming, violence prevention
29 programming, and thinking for a change programming. At a minimum,

1 the report must include all of the following:

10 appropriations in part 1 consents to a visitor being present, the
11 department shall allow that 1 person to be present during the
12 prisoner's labor and delivery, in addition to a doula being present
13 if the pregnant prisoner wants to work with a doula. The person
14 allowed to accompany the prisoner must be an immediate family
15 member, legal guardian, spouse, or domestic partner. The department
16 is authorized to deny access to a visitor if the department has a

26 developmental disorder. A prisoner with serious mental illness or
27 serious developmental disorder that is unresponsive to treatment
28 who presents a persistent high violence risk or engages in severe
29 disruptive behavior may be placed in secure residential housing

14 developmental disorder have been confined to administrative
15 segregation.

16 Sec. 711. From the funds appropriated in part 1, the
17 department shall do all of the following:

18 (a) Ensure that any inmate care and control staff in contact
19 with prisoners less than 18 years of age are adequately trained
20 with regard to the developmental and mental health needs of
21 prisoners less than 18 years of age. Not later than April 1, the
22 department shall report on the training curriculum used and the
23 number and types of staff receiving annual training under that
24 curriculum.

25 (b) Provide appropriate placement for prisoners less than 18
26 years of age who have serious mental illness, serious emotional
27 disturbance, or a serious developmental disorder and need to be
28 housed separately from the general population. Prisoners less than
29 18 years of age who have serious mental illness, serious emotional

1 disturbance, or a serious developmental disorder must not be
2 removed from an existing placement as a punitive response to
3 behavior caused by their serious mental illness, serious emotional
4 disturbance, or a serious developmental disorder. A prisoner who is
5 less than 18 years of age with serious mental illness or a serious
6 developmental disorder that is unresponsive to treatment who
7 presents a persistent high violence risk or engages in severe
8 disruptive behavior may be placed in secure residential housing

29 department must submit a report on the number of prisoners who lost

1 visiting privileges. The report required under this section must be
2 submitted not later than November 15 and include data for the prior
3 fiscal year. The report must include all of the following
4 information:

5 (a) The number of prisoners who lost visiting privileges by
6 violation type.

7 (b) The number of prisoners who applied to have visiting

16 department. Intelligence operations must include, but not be
17 limited to, intelligence operations for prisoner phone services.
18 Savings that result from transferring responsibility for
19 intelligence operations from the contractor to the department must
20 be passed on to prisoners and prisoners' families as the department
21 continues to negotiate lower phone call rates in all future
22 contracts. The department must continue to pursue all opportunities
23 for reducing further the cost of phone calls for prisoners and
24 prisoners' families.

25 Sec. 715. (1) From the funds appropriated in part 1, the
26 department must submit a preliminary report on the department's
27 plans to close, consolidate, or relocate any correctional facility
28 in the state. The preliminary report must be provided not less than
29 30 days before the effective date of the closure, consolidation, or

1 relocation. The preliminary report must include the projected
2 savings to the state from closure, consolidation, or relocation of
3 the facility and must include a projection of the potential impact
4 on staff positions.

5 (2) After a prison closure, consolidation, or relocation, the
6 department must submit a report on the actual savings achieved by
7 the department and the impact on staff positions. Savings amounts
8 and impact on staff positions must be itemized by facility. The
9 report required under this subsection must be submitted 6 months
10 after the prison closure, consolidation, or relocation.

11 (3) If the department is planning to close a correctional
12 facility, the department must complete an analysis of the potential

21 facilities that have been closed. This framework must include plans
22 to ensure that vacant state correctional facilities do not become a
23 nuisance or danger to the community.

24 Sec. 717. From the funds appropriated in part 1, the
25 department shall make an information packet for the families of
26 incoming prisoners available on the department's website. The
27 information packet must be reviewed not later than February 1 and
28 updated as necessary. The department may partner with external
29 advocacy groups and actual families of prisoners in the packet-

1 writing process to ensure that the information is useful and
2 complete. The packet must provide information on topics including,
3 but not limited to, all of the following:

- 4 (a) How to put money into prisoner accounts.

18 reentry process.

19 Sec. 718. From the funds appropriated in part 1, the
20 department must pursue all opportunities to reduce costs for
21 prisoners and prisoners' families for financial deposit fees,
22 commissary fees, and medical co-pays when the department negotiates
23 or renews any contract to provide these services.

24
