The project is a capital improvement at the Cheboygan County Airport. The project will reconstruct the main access drive, parking area, and main drive to aircraft hangars. The airport is a public entity and serves the general aviation community as well as other public and private users. These include State Police and Coast Guard for refueling operations and transportation services provided by private companies. The residents of Bois Blanc Island utilize air transportation services and utilize the parking area when the ferry closes for the winter season. The parking area is filled with vehicles who utilize the

airport as their only means of accessing their property on the island. In November of 2024, the Office of Aeronautics presented to the Airport Authority, an Economic Benefit Assessment of the airport to the Cheboygan area. The airport was shown to directly effects 99 jobs and \$5.8 million of labor income. Additionally, the airport has an annual impact of \$21.2 million on the local economy.
