Appropriations Requests for Legislatively Directed Spending Items

4. Name of the entity that the spending item is intended for:

5. Physical address of the entity that the spending item is intended for:
1055 N Zeeb Rd, Ann Arbor, MI 48103
6. If there is not a specific recipient, the intended location of the project or activity:
N/A
7. Name of the representative and the district number where the legislatively directed spending item is located:
Carrie A. Rheingans, District 47
8. Purpose of the legislatively directed spending item. Please include how it provides a public benefit and why it is an appropriate use of taxpayer funding. Please also demonstrate that the item does not violate Article IV, S 30 of the Michigan Constitution. Scio Township continues to experience rapid growth. With that growth comes increasing demand on public safety and prevention services. To meet these demands head on, and to look towards the future, we must build our capacity to address these needs in a meaningful way. Scio currently relies on another community's ladder truck, without the ability to reciprocate. With a ladder truck located between Dexter and Saline (both without ladder trucks), we could provide a ladder truck at no cost upon their or any neighbor's request. Currently with only one ladder truck west of Ann Arbor, Station 2 would help fill the gap and provide additional support.
