This project would help build a community pool in Shelby, MI which has a significant lack of community gathering centers. Shelby Township has a rich history of proportionally high community philanthropy, funding various community projects around the area. They will also run public programs out of the facility and it will be a huge asset to this small farming community. It's a partnership with Shelby Schools to run a swim lesson program (no swim lesson program within 60 miles). It is also going to host a senior program for water aerobics.
