8. Purpose of the legislatively directed spending item. Please include how it provides a public benefit and why it is an appropriate use of taxpayer funding. Please also demonstrate that the item does not violate Article IV, S 30 of the Michigan Constitution. Improving sidewalks and crosswalks in a small business district in the City of Flint would greatly benefit residents by enhancing safety, accessibility, and economic vitality. Well-maintained pedestrian infrastructure makes it easier and safer for people of all ages and abilities to walk, shop, and engage with local businesses. It also encourages more foot traffic, which supports small business growth and helps create a vibrant, welcoming community atmosphere. For residents without access to a car, walkable streets are essential for accessing jobs, services, and daily necessities. Investing in these improvements reflects a commitment to equity, public health, and neighborhood pride—helping Flint move forward together.
