Dave Prestin, 108
8. Purpose of the legislatively directed spending item. Please include how it provides a public benefit and why it is an appropriate use of taxpayer funding. Please also demonstrate that the item does not violate Article IV, S 30 of the Michigan Constitution. Mid-Peninsula School needs to replace their antiquated HVAC system with a modern system. Their system is past the end of its useful life. Parts for the system are harder to come by, making maintenance increasingly ineffective. The school district does not have the tax base to draw funds locally and further consolidation is not an option due to its geographical isolation.

The project will provide Mid-Peninsula with an updated heating system and desperately

needed automation. This project aligns with the state's interest in providing public education opportunities in the state.
