3. The cosponsoring representatives' names. All cosponsors must be listed. If none, please type 'n/a.' A signed letter from the sponsor approving the co-sponsorship and a signed letter from the member wishing to co-sponsor are required. Attach letters at question #9 below.
N/A
4. Name of the entity that the spending item is intended for:
City of Warren- Innovate Mound Road Continuation from 8 Mile to 11 Mile Road
5. Physical address of the entity that the spending item is intended for:
City of Warren: 1 City Square Warren, MI 48093
6. If there is not a specific recipient, the intended location of the project or activity:
Mound Road from 8 Mile to 11 Mile in Warren
7. Name of the representative and the district number where the legislatively directed spending item is located:
State Reps. Donovan McKinney (11th House District) & Mike McFall (14th House District)
8. Purpose of the legislatively directed spending item. Please include how it provides a public benefit and why it is an appropriate use of taxpayer funding. Please also demonstrate that the item does not violate Article IV, S 30 of the Michigan Constitution. Recently, the State of Michigan made a substantial investment in the reconstruction of Mound Road from I-696 to M-50 (Innovate Mound Project). This was combined effort across local, county, state, and federal. However, Mound Road from 8 Mile to 11 Mile was not part of the initial investment. Work still needs to be done south of I-696 to make this roadway safe for motorists along this significant economic artery.

This project request is for \$10 Million towards Warren's investment for the reconstruction of Mound Road from 8 Mile to I-696. By completing the reconstruction of Mound Road to 8 Mile to I-696, the "Innovate Mound" Corridor will be completed.

In addition to the physical improvements, the project will also stimulate economic growth and create new job opportunities. The construction work will provide employment for local residents, and the completed road will attract new businesses and investment to the area. Ultimately, this will lead to increased tax revenue, which can be used to fund other important projects and services.
