The current Library building is over 100 years old and in need of a lot of repair. We currently can't use the basement for storage because of moisture issues. Again, as Kalkaska grows this regional library will have more and more users moving into the community. It is located in downtown Kalkaska and is part of a refurbished area that includes a pavilion and a food truck rally lot. An upgraded and expanded library will greatly enhance the community and become a community gathering spot.
