This legislatively directed spending item is a public benefit to the residents of Roseville and surrounding communities. The funding would be used toward the city's Roseville Theatre Redevelopment Project. The Roseville Theatre, located at 28325 Utica Rd, Roseville, MI 48066, is a historical landmark that originally opened in 1927. As a city-owned facility, the building is currently uninhabitable. Funding would be utilized to assist the city's redevelopment plan of bringing the building up to code. The Theatre is located in the heart of the city in a prominent location and is crucial to the enhancement of the

area's economic competitiveness.

Importantly, this request complies with Article IV, S 30 of the Michigan Constitution, as it does not provide a direct appropriation to a private entity or individual, nor does it constitute a local or private purpose. The Roseville Theatre is a municipally owned and operated facility, and the funds will be directed toward capital improvements that serve a public purpose. The renovations will enhance public access to community resources, aligning directly with the public interest.
