This project will fund the installation of approximately 100 decorative streetlights along the M-84 (Bay Road) corridor in Kochville Township to improve safety and aesthetics between Bay City, Saginaw Valley State University, and Saginaw. It provides a clear public benefit by enhancing pedestrian visibility, supporting public transit use, and encouraging commercial development in a key regional corridor. State funding is appropriate as it addresses a critical infrastructure need that Kochville Township's Downtown Development Authority cannot afford to complete on its own.
