8. Purpose of the legislatively directed spending item. Please include how it provides a public benefit and why it is an appropriate use of taxpayer funding. Please also demonstrate that the item does not violate Article IV, S 30 of the Michigan Constitution. Canton's old township landfill site, the "Munn Dump," has sat vacant for several decades and is in desperate need of remediation. The dump spans 50+ acres and is located on the Amtrak rail line, south of Michigan Avenue, near the township's southern border.

The Munn Dump was a municipally owned landfill, so there is no private sector payer who could be identified as a PRP to pay for the cleanup. The cleanup is the responsibility of the government.

The site is located south of Michigan Avenue, on the Amtrak rail line, so it's ideal for

redevelopment, which could include private sector development, and/or a transit center.

The Township has already been awarded a grant from Wayne County for \$75,000 to complete an environmental assessment of the site, which will be completed this spring.
