As the third busiest roadway in Wayne County, Belleville Road between Tyler Road and Ecorse Road is an area that provides an opportunity for further development in the DDA District. This project will provide multiple improvements that can be implemented along this corridor to encourage growth. The project will also improve the Tyler-Belleville Road intersection, which faces traffic and alignment issues, causing circulation problems in and out of the downtown area. In particular, the misaligned intersection poses sight issues for northbound traffic desiring to turn left onto Tyler Road. The inability to see

oncoming southbound traffic contributes to unsafe turning movements in this direction. There have been two fatal accidents in the past two years.
