### **Overview**

The Higher Education budget, contained in Article III of the compiled School Aid Act, provides funding for operational support of the state's 15 public universities, the AgBioResearch and Extension programs operated by Michigan State University, various financial aid programs for students attending public and independent colleges and universities in the state, and several other smaller higher education-related programs.

### Major Budget Changes From FY 2018-19 YTD Appropriations

#### 1. University Operations Funding

<u>Executive</u> increases university operations funding by \$43.7 million GF/GP, a 3.0% increase. The increase is distributed across-the-board, so that each university receives a 3.0% increase. Attainment of the additional student affordability funding would be conditioned on restraining resident undergraduate tuition and fee increases to 3.2% or \$427, whichever is greater (3.8% or \$490 in the current year). Replaces \$494.3 million School Aid Fund (SAF) with a corresponding amount of GF/GP. Total funding for operations would be \$1.5 billion GF/GP.

<u>House</u> increases university operations funding by \$5.3 million GF/GP, a 0.4% increase. The increase is distributed under a revised performance funding formula. Attainment of performance funding would be conditioned on restraining resident undergraduate tuition and fee increases to 3.2% or \$427, whichever is greater. House concurs with Executive on replacing \$494.3 million SAF with a corresponding amount of GF/GP. Total funding for operations would be \$1.5 billion GF/GP.

<u>Senate</u> increases university operations funding by \$15.2 million GF/GP, a 1.0% increase. The increase is distributed under the current performance funding formula. Attainment of performance funding would be conditioned on restraining resident undergraduate tuition and fee increases to 4.4% or \$587, whichever is greater. Total funding for operations would be \$1.5 billion Gross (\$977.8 million GF/GP).

<u>Conference</u> increases funding by \$7.9 million GF/GP, a 0.5% increase, distributed under the current performance formula. Swaps \$151.1 million SAF with a corresponding amount of GF/GP. Attainment of performance funding would be conditioned on restraining resident undergraduate tuition and fee increases to 4.4% or \$587, whichever is greater. Total funding for operations would be \$1.5 billion Gross (\$1.1 billion GF/GP).

<ul> <li>2. North American Indian Tuition Waiver Funding House increases funding for the Indian Tuition Waiver program by \$6.4 million GF/GP and places the appropriation into a delineated category in the operations line. The shortfall payment addresses an estimated \$6.7 million shortfall between waiver program costs and funding for public universities. Total funding for the ITW shortfall payment would be \$6.7 million. Senate provides \$6.7 million GF/GP in additional funding for the ITW program, and rolls the funding into the base operation funding levels for each university. Total additional funding for Indian Tuition Waivers would be \$6.9 million GF/GP. Conference provides \$6.7 million GF/GP for the Indian Tuition Waiver program funding that helps address a funding shortfall between waiver program costs and funding provided by the state. Conference also unrolls \$3.9 million in current program funding that had been rolled into university base operations funding, combined with a \$300,000 appropriation that originally addressed ITW program shortfalls, and places the appropriation into a delineated ITW category in the operations line. Total ITW program funding would be \$10.9 million GF/GP.</li></ul>	Gross	<b>\$4,218,600</b>	<b>\$6,687,100</b>

6. Tuition Incentive Program Executive reduces funding for Tuition Incentive Program by \$4.5 million in federal Temporary Assistance for Needy Families (TANF) funds, a 7.0% decrease, which pays for Medicaid-eligible students' tuition costs for associate's degrees under Phase I and bachelor's degrees under Phase II. Implements program reimbursement rate cap of 3x the average community college in-district tuition rate. Total funding for TIP would be \$59.8 million. <u>House</u> maintains current funding levels and does not include the reimbursement rate cap. Total funding for the Tuition Incentive Program would be \$64.3 million. <u>Senate</u> concurs with House. <u>Conference</u> concurs with House.	<b>Gross</b> Federal GF/GP	<b>\$64,300,000</b> 64,300,000 \$0	<b>\$0</b> 0 \$0
7. Children of Veterans and Officer's Survivor Tuition Grant Program Executive maintains current funding levels for the Children of Veterans and Officer's Survivor Tuition Grant Program but replaces \$100,000 in restricted funding with a corresponding amount of GF/GP. <b>9. MPSERS State Share of UAL Stabilization Payment</b> Executive reduces funding by \$116,000 GF/GP for the state's share of the universities' unfunded liability contribution to MPSERS. The state's share is the difference between the calculated unfunded accrued liability contribution to the system and the employer contribution cap of 25.73% of payroll for the seven universities with MPSERS employees (Central, Eastern, Ferris, Lake Superior State, Michigan Tech, Northern, and Western). Replaces \$5.0 million SAF with a corresponding amount of GF/GP. Total funding for the state share of MPSERS would be \$5.0 million GF/GP. <u>House</u> concurs. <u>Senate</u> concurs but utilizes SAF for funding. <u>Conference</u> concurs with Senate. ## Sec. 242. Federal or Private Funds – RETAINED

Appropriates federal or private funds received by the state for use by a college or university. <u>Executive</u> deletes language specifying that acceptance of federal or private funds does not place an ongoing obligation on the legislature. <u>House</u> retains. <u>Senate</u> retains. <u>Conference</u> retains.

### Sec. 245. University Transparency – REVISED

Requires each university to post on its website specified data on budget, revenue, expenditures, and employee compensation, as well as university performance data, information on transfer policies and opportunities for high school students to earn college credit, collective bargaining agreements, benefit plans, and audits. <u>Executive</u> deletes requirement that state budget director determine compliance and language granting authority to withhold payments for a university not in compliance. <u>House</u> retains language, updates reporting deadlines, adds reporting requirement on graduates who remain in Michigan, and adds reporting requirement on the number and percentage of enrolled students who complete the Free Application for Federal Student Aid (FAFSA). <u>Senate</u> retains language and revises with reporting date change. <u>Conference</u> retains language, concurs with House on FAFSA reporting requirement and reporting dates.

### Sec. 245a. Campus Safety Information and Resources – REVISED

Requires universities to develop a "campus safety information and resources" webpage, which must be linked and displayed on their home webpage. The page must display various safety information and policies, and the schools must certify compliance to the State Budget Director by August 31 or have monthly state payments withheld. <u>Conference</u> changes certification date to October 1, 2019 and the last business day of August thereafter.

### Sec. 251. State Competitive Scholarship Program – REVISED

Provides for distribution of funds appropriated for State Competitive Scholarships; specifies maximum grant amount of at least \$1,000, unless insufficient funds are available, in which case a report is required; provides that unexpended funds at close of fiscal year remain available for expenditure in subsequent year as a work project. <u>Conference</u> removes one year restriction on work project language.

### Sec. 252. Tuition Grant Program – REVISED

Provides for distribution of funds appropriated for Tuition Grants; specifies maximum grant amount of at least \$2,400, unless insufficient funds are available, in which case a report is required. <u>Executive</u> deletes language that specifies that the \$4.2 million institutional cap does not apply to any other student financial aid program or in combination with any other financial aid program. <u>House</u> retains language, increases individual award amount to \$2,450 and increases institutional cap to \$5.0 million. <u>Senate</u> retains institutional cap language while increasing the cap to \$4.6 million and increases individual award amount to \$2,500. <u>Conference</u> retains institutional cap language while increasing the cap to \$5.0 million and increases individual award amount to \$3,000. Adds language prohibiting the use of funds offsetting costs in other financial aid programs and removes one year restriction on work project language.

### Sec. 256. Tuition Incentive Program – REVISED

Specifies criteria for Tuition Incentive Program (TIP) eligibility; provides for award conditions and limits under Phases I (associate's degree and certificate programs) and II (third and fourth years toward bachelor's degree) of the program. <u>Executive</u> includes new language that states the program will cover tuition and fees that do not exceed 3x the in-district community college tuition per-credit rate of the previous academic year. Deletes language directing universities to report TIP Phase I student enrollment and students receiving Pell grants by December 1 because language is currently present that states beginning in FY 2019-20, the reporting deadline is October 15. <u>House</u> does not include the 3x in-district rate reimbursement. Retains December 1 deadline and pushes back October 15 deadline to FY 2020-21. Removes program restriction on incarcerated individuals. <u>Senate</u> concurs with House on 3x in-district reimbursement and retaining December 1 deadline. <u>Conference</u> concurs with House and removes one year restriction on work project language.

#### Sec. 261. Douglas Lake Biological Station – RETAINED

Designates the University of Michigan's Douglas Lake Biological Station as a unique research resource and aims to protect the lake area. <u>Executive</u> deletes section. <u>House</u> retains. <u>Senate</u> retains. <u>Conference</u> retains.

#### Sec. 263a. MSU AgBioResearch and MSU Extension – REVISED

States intent regarding metric goals to be used to evaluate impacts of MSU AgBioResearch and MSU Extension; requires annual report containing financial data and metric goals for the two organizations. <u>Conference</u> revises reporting requirements to eliminate specific metric goals.

### Sec. 265. Student Affordability Criteria: Tuition Restraint - REVISED

Provides tuition restraint requirements in order to receive performance funding increase. <u>Executive</u> revises tuition restraint cap for universities to 3.2% or \$427, whichever is greater. Deletes legislative intent language that indicates universities that violate the tuition restraint cap shall not receive a capital outlay project authorization in FY 2019-20, FY 2020-21, and FY 2021-22 and will have its appropriation adjusted. <u>House</u> concurs with 3.2% or \$427 cap but specifies percentage is 115% of the FY 2018 Higher Education Price Index. Retains language on the tuition restraint cap violation impacting capital outlay projects for FY 2020-21 and future appropriation adjustments. <u>Senate</u> revises tuition cap to 4.4% or \$587, whichever is greater. Deletes language on appropriation adjustment for cap violation. Revises penalty on capital outlay projects for next three fiscal years. <u>Conference</u> concurs with Senate but retains language on appropriation adjustment for cap violation. Revises certification deadline to October 1, 2019.

### Sec. 265a. Performance Funding Criteria and Formula – REVISED

Includes requirements for a university to receive the performance funding increase. <u>Executive</u> revises language specifying funding applies only to the appropriation year of FY 2019-20. Replaces "performance funding" with "student affordability." Deletes language detailing the performance formula and revises to state that universities receive a 3% funding increase from the prior fiscal year. Deletes legislative intent language about allocating more funding based on performance metrics in future years. <u>House</u> revises to specify that language applies to FY 2019-20. Revises performance formula funding percentages to the following: proportional to FY 2010-11 from 50% to 30%, research and development from 5.6% to 5.5%, Carnegie classification comparisons from 33.3% to 32.3% and adds new in-state graduate retention metric compared to state peers at 16.1%. Eliminates 6-year graduate rate and total degree completion metrics from Carnegie classification comparisons. Adds language explaining scoring for new in-state graduate retention metric.

<u>Senate</u> revises to specify that language applies to FYs 2019-20, 2020-21, and 2021-22. Revises intent language to specify that more funding will be based on an updated set of performance metrics. <u>Conference</u> concurs with Senate but changes certification deadline from August 31 to October 1, 2019. Adds language that more funding will be based on an updated set of performance metrics that result from joint House and Senate Higher Education subcommittee hearings.

### Sec. 265b. Operations Funding Criteria and Sexual Assault/Title IX Standards – REVISED

Penalizes universities with a 10% reduction in operations funding for schools that fail to submit certification of compliance to the State Budget Director on Title IX reporting requirements found in sections 274c and 274d and a number of other requirements. <u>Conference</u> changes certification dates to October 1, 2019

#### Sec. 265c. Articulation Agreements and Academic Partnerships Reporting – REVISED

Requires the Michigan Community College Association (MCCA), the Michigan Association of State Universities (MASU), and the Michigan Independent Colleges and Universities (MICU) report on the names and number of baccalaureate degree programs offered on community college campuses, the names of articulation agreements between universities and community colleges, and the number of students enrolled and degrees awarded through articulation agreements and on-campus baccalaureate programs. <u>Executive</u> deletes section. <u>House</u> retains, updates dates, and makes report due every even-numbered year. <u>Senate</u> updates dates. <u>Conference</u> concurs with House.

### Sec. 265e. Distribution of Sexual Assault Prevention, Safety, and Mental Health Funds – RETAINED

Legislative intent language that suggests that universities use a portion of operations funding on campus safety programs, sexual assault prevention programs and student mental health programs. <u>Executive</u> deletes section. <u>House</u> retains. <u>Senate</u> concurs with Executive. <u>Conference</u> concurs with House.

#### Sec. 268. Indian Tuition Waivers – REVISED

Specifies that \$300,000 appropriation be proportional to each institution's shortfall. Requires Department of Civil Rights to report certain information related to the waivers, and requires universities to provide data under guidelines and procedures developed by the Department of Civil Rights. <u>Executive</u> deletes legislative intent language that states unfunded Indian Tuition Waiver costs be allocated from the general fund. <u>House</u> retains intent language and revises distribution of \$1.3 million additional funding to be prorated based on the number of students receiving a waiver at a university compared to the total number of fiscal year equated students. <u>Senate</u> retains and updates dates. <u>Conference</u> retains intent language and deletes subsection concerning additional funding distribution.

### Sec. 271a. Instructional Activity Pertaining to Unionization - RETAINED

Provides legislative intent language that instructs public universities not to use appropriations to offer instructional activity that targets companies for unionization or decertification of a union. <u>Executive</u> deletes section. <u>House</u> retains. <u>Senate</u> retains. <u>Conference</u> retains.

### Sec. 274. Embryonic Stem Cell Research – REVISED

Provides legislative intent language that instructs organizations conducting research using human embryonic stem cells to report to the Department of Health and Human Services regarding compliance with federal guidelines and detailing usage of stem cell lines. <u>Executive</u> deletes section. <u>House</u> retains and updates dates. <u>Senate</u> concurs with House. <u>Conference</u> concurs with House.

### Sec. 275a. Capital Outlay Requirements - RETAINED

Prohibits use of state funds for self-liquidating projects and requires compliance with Joint Capital Outlay Subcommittee reporting requirements, with specified penalty of 1.0% of appropriation for failure to comply. <u>Executive</u> deletes section. <u>House</u> retains. <u>Senate</u> retains. <u>Conference</u> retains.

#### Sec. 275d. Communication with the Legislature – NEW

<u>Senate</u> adds language that discourages a university from taking disciplinary action against an employee for communicating with the legislature. <u>Conference</u> concurs.

### Sec. 289. Audit of Higher Education Institutional Data Inventory (HEIDI) Data - REVISED

Requires the Office of the Auditor General to review HEIDI data; excludes certain credit hours from those reported to HEIDI; states that legislature retains authority to exclude specific academic programs for enrollment reporting purposes. <u>Executive</u> deletes language defining certain restrictions on what can be reported as student credit hours, including distance learning and hours generated through inmate prison programs. Deletes definition of distance learning instruction. <u>House</u> concurs. <u>Senate</u> deletes restrictions on inmate prison programs. <u>Conference</u> concurs with Executive.
