Annual University HEIDI and Public Reporting Requirements

Sec. 241a. (1) All public universities shall submit higher education institutional data inventory (HEIDI) data and associated financial aid program information requested by and in a manner prescribed by the state budget director. For public universities with fiscal years ending June 30, these data must be submitted to the state budget director by October 15 of each fiscal year. Public universities with a fiscal year ending September 30, 2023 shall submit preliminary HEIDI data by November 15, 2023 and final data by December 15, 2023.

(b) "Tuition and fee rate" means the average of full-time rates paid by a majority of students in each undergraduate class, based on an unweighted average of the rates authorized by the public university board and actually charged to students, deducting any uniformly rebated or refunded amounts, for the 2 semesters with the highest levels of full-time equated resident undergraduate enrollment during the academic year, as described in the higher education institutional data inventory (HEIDI) user manual.

(2) Each public university shall administer the program in a manner prescribed by the department of labor and economic opportunity. The department of labor and economic opportunity shall use a good-faith effort standard to evaluate whether a fellowship is in default. All of the following apply to the program:

(a) By June 15 of each year, public universities shall report any anticipated unexpended or unencumbered program funds to the department of labor and economic opportunity. Encumbered funds are those funds that were committed by a fellowship agreement that is signed during the current fiscal year or administrative expenses that have been approved by the department of labor and economic opportunity.

(b) Before September 1 of each year, unexpended or unencumbered funds may be transferred, under the direction of the department of labor and economic opportunity, to a future faculty program at another public university to be awarded to an eligible candidate at that public university.

(c) Program allocations not expended or encumbered by September 30, 2025 must be returned to the department of labor and economic opportunity so that those funds may lapse to the state general fund.

(d) Not more than 5% of each public university's allocation for the program may be used for administration of the program.

(e) In addition to the appropriation for fiscal year 2023-2024, any revenue received during prior fiscal years by the department of labor and economic opportunity from defaulted fellowship agreements is appropriated for the purposes originally intended.
