## BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2021-44 LR would make numerous amendments to rules pertaining to the practice of medicine. Specific changes would include revising definitions; incorporating organizational and typographical revisions; updating accreditation standards; updating requirements for licensure by endorsement, educational limited licenses, clinical academic licenses, and relicensure; aligning the number of attempts for the required examination with the number allowed by the Federation of State Medical Boards; and removing language regarding continuing education that is no longer applicable.

## FISCAL IMPACT OF PROPOSED RULES

2021-44 LR would not affect the expenditures or revenues of any state or local government units.
