September 2025 Revenue Update

Major Taxes

Cash collections from Michigan's major taxes, penalties and interest, and lottery transfers totaled $3,740.7 million in September 2025, $22.6 million more than in September 2024. For the fiscal year-to-date, collections in FY 2024-25 were $1,499.0 million (or 5.1%) higher than during FY 2023-24.

Net income tax revenue totaled $1,559.2 million in September 2025, and for FY 2024-25 collections through September were $1,366.1 million more than the same period during FY 2023-24. Year-to-date gross income tax collections in FY 2024-25 were $1,189.4 million higher than one year ago due primarily to higher individual income tax (IIT) withholding, quarterly (estimated), and annual payments.

Net business taxes are composed of the single business tax (SBT), the Michigan business tax (MBT), the corporate income tax (CIT), and insurance company taxes. Because of their inherent volatility, monthly collections of business taxes often display significant fluctuations that diverge from historical trends. On a fiscal year-to-date basis, net business taxes were $294.4 million lower through September 2025 than a year ago. MBT refunds through September 2025 were $62.6 million more negative than last year while CIT collections over the same period were $220.9 million (or 10.9%) lower than last year's amount. Year-to-date insurance taxes were also lower than a year ago by $11.4 million (or 2.7%).

Revenue from consumption taxes, which consist of the sales tax, the use tax, beer and wine taxes, liquor taxes, and tobacco taxes, totaled $1,146.9 million in September 2025, and were collectively $64.6 million higher than in FY 2023-24 on a year-to-date basis. Sales tax collections were $165.7 million (or 1.7%) above last year's amount on a year-to-date basis, while use tax collections were $52.6 million (or 2.6%) lower than a year ago.

Revenue from online gaming totaled $48.5 million in September 2025 and collections through September were $123.3 million (or 34.4%) higher than the same period during FY 2023-24. Year-to-date revenue from recreational marihuana sales through September 2025 was $3.5 million (or 1.4%) higher than one year ago. The transfer from the lottery to the School Aid Fund was $109.3 million in September 2025, and year-to-date transfers were $42.2 million lower than FY 2023-24. State Education Tax revenue was $205.3 million (or 16.1%) higher and real estate transfer tax collections were $43.9 million (or 12.2%) higher on a year-to-date basis.

General Fund/General Purpose (GF/GP) Tax Revenue

General Fund/General Purpose revenue from Michigan's major taxes was estimated[1] to be $1,650.5 million in September 2025, about $185.5 million below the projection established at the May 2025 consensus revenue estimating conference (CREC) primarily due to higher (more negative) IIT refunds and below forecast CIT revenue.

On a year-to-date basis, GF/GP tax revenue for FY 2024-25 was approximately $267.0 million below the projected amount.

School Aid Fund (SAF) Revenue

School Aid Fund revenue from Michigan's major taxes was estimated[1] to be $1,908.6 million in September 2025, about $1.9 million above the amount established at the May 2025 CREC. Above forecast collections from gross IIT, online gaming, and lottery slightly more than offset below forecast collections from the sales tax and state education tax.

On a year-to-date basis, SAF revenue for FY 2024-25 was approximately $145.2 million above the consensus revenue projections.

[1] Because of accruals and undistributed revenue, monthly fund splits are estimated.
