### Overview

The Department of Lifelong Education, Advancement, and Potential (MiLEAP) is responsible for administering and coordinating statewide education efforts outside of the K-12 school system, which includes child care, child care worker and facility licensing, early childhood education, out of school time, and postsecondary scholarships and transfer opportunities. The department is grouped into three offices overseeing those efforts: the Office of Early Childhood Education, which is focused on child care and child care facilities; the Office of Education Partnerships, which is focused on building relationships in child care and postsecondary arenas; and the Office of Higher Education, which is focused on postsecondary scholarships, transfers and increasing degree and credential attainment.
